**RE: Supplying and Signing Certifications and/or Subcontracts**

It is not the policy of Nucor-Yamato Steel to furnish "Certifications of Compliance" other than a Certified Mill Test Report (CMTR), which is required by ASTM A6/A6M. All of our CMTR's state the specifications that the product meets as well as the product's chemical and physical properties. It should be noted that it is also not the policy of Nucor-Yamato Steel to sign certifications or subcontracts.

We trust that this information will answer your questions regarding Nucor-Yamato Steel's policy regarding the furnishing of non-standard certifications. If we can be of any further assistance, please feel free to contact us.
